One coffee order: where 200 seconds go

Shows new baristas who owns each step of an order, how long it takes and what a remake costs.

STATUS	VERSION	DATE
exploration	**v1.0**	**2026-10-29**

LEGEND customer · till and ticket system · barista · main order flow · exception: remake · numbers match the steps and the bar

Assumed: every duration is an estimate for a small shop, not a measurement. **Specified:** the order of steps. **Open:** does the queue grow at rush hour, and by how much?
